GenX Security Schools & Campuses

Fire Alarms, Vaping Sensors, & Gun Detection

Ensuring the safety of students and staff requires a comprehensive approach, and fire safety is paramount.

Early Detection: Rapidly identify and alert to any potential fire hazards, minimizing the risk of harm to students and staff.

Customized Solutions: Tailored fire alarm systems designed to suit the specific layout and needs of educational institutions, ensuring comprehensive coverage and compliance with safety regulations.

Smart Sensors: Sensors to detect vaping, gunshots, and more, backed by security cameras alert quickly to potential incidents.

Security Cameras and VMS for Full Coverage

In an era where security threats are ever-evolving, visual surveillance is indispensable. Here's how our advanced camera systems and video management solutions bolster security on school premises:

360-Degree Coverage: Strategically placed to minimize blind spots and enhance monitoring capabilities across the campus.

Real-Time Monitoring: Access live feeds from any location, enabling proactive monitoring and swift response.

Evidence Gathering: High-definition cameras capture detailed footage, serving as valuable evidence in investigations and deterrents to potential threats.

Access Control Solutions for Schools

Empower your K-12 school or campus with cutting-edge access control solutions from GenX Security Solutions. Our innovative software offers unparalleled security and convenience, tailored specifically for educational environments:

Seamless Integration: Integration with existing security infrastructure to provide a unified platform for comprehensive campus safety.

Intuitive User Interface: Managing access permissions for students, staff, and visitors is effortless, ensuring efficient and secure entry to school facilities.

Cloud-Based Convenience: Cloud-based access control, enables administrators to manage permissions remotely and respond swiftly to security incidents.

Scalable and Future-Ready: Whether you're securing a single building or an entire campus, our access control solutions are scalable to meet your needs today and adaptable to future growth.
